

## Sponsors

The Berks Conservancy would like to thank the following businesses, individuals and foundations for their support of our State of the Environment in Berks program. Your support of our organization and this new initiative is greatly appreciated. Through this support, the Berks Conservancy will continue to raise awareness of conservation choices we can make in Berks that will improve the environment.

LEAD-ACID BATTERIES  
ARE RECYCLABLE!

## Be Water Wise.

At Pennsylvania American Water, we work every day to manage our water systems and resources in an environmentally responsible manner. We also sponsor programs that educate customers on the importance of protecting our drinking water supplies.

Visit us at [www.pennsylvaniaamwater.com](http://www.pennsylvaniaamwater.com) for more information and for tips on how to use water wisely, because every drop counts!

**WE CARE ABOUT WATER. IT'S WHAT WE DO.**

## Just one beautiful reason to go paperless.

Let us transform materials you would normally print into easy to use, interactive, flip page manuals, newsletters, promotional materials, and books.

Today's online booklet for the Berks County Conservancy provided by

**Paperless** • handbooks  
• manuals  
• books

If it can be Printed, we can make it Paperless.

# Enhancing the Quality of Life

Our work enhances the quality of life for our clients, our employees, and the people touched by our work. It touches this generation and future generations. We celebrate the earth everyday with our approach to operations, integration of LEED concepts, and application of green solutions or sustainable designs.
